READY THIS MORNING-EUGENE SEES GREAT Properited Book, The Mysteries of the People. In the course of this great remance, Sue, (while he adds much to the interest of the plot.) exposes the causes which drive so many theoremed soft he men of Paris to gambling, robbery, and the galley, and the women to providution and the Morgue. While it is entirely free from any offensive thoughts or language, it unveils the terrible soothle evils that are gamgroung the very heart of French Society. Never has grains conceived or described more interesting characters than those which impart to this story the animation of real life. The beld, handsome, but crued and licentious Calonal de Plournel—the stern, frigid, Josuitical Cardinai—the levely and virtuous daughter of the honest limen drapor—the interpid and worthy young joiner—and the heautiful binguitty gristette, who receives in her white breast the hall aimed at her heroic lover on the barricades—are all faithful types of the various classes of the metropolite of France.
